Control your work flow, schedule, and budget with the fastest, most consistent material delivery on the market with Beta Max™ high speed hoists

KEY FEATURES

- Perfect for high reach, medium duty projects

- Confined and hard to reach spaces made easy with a portable hoist

- Increased jobsite safety and efficient alternative to rope & pulley systems, cranes, and forklifts

- Optional Scaff-Trac Mounting System provides a standardized and complete lifting solution engineered for easy installation every time

- Easy cable replacement (Beta Max™ provides clamps and crimp)

- Flexible I-Beam Mounting Option works with and configures to each unique job-site

- Long lasting performance with minimal maintenance required

SAFETY FEATURES

- Water tight connectors

- Failsafe brake holds the load securely when not lifting or lowering—loads are powered up and down, no free-falling or slipping

- Non-rotating cable helps keep loads from spinning

- Upper-limit Switch Assembly stops the hoist instantly when activated

- Sturdy electrical controller equipped with thermal overload sensing device

INDUSTRIES SERVED

- Scaffolding
- Demolition
- Masonry
- Restoration
- Stucco
- Construction
