

KEY FEATURES & BENEFITS**Cost-Effective and Versatile**

- High Speed Hoist for about 1/3 of the cost of larger hoists
- Dual purpose – can be used as a material hoist or transport platform
- Vertical mast compatible with our personnel hoist – MC2000 PMB D/V
- Soft Start / Stop feature to protect payload

Much Easier to Install and Operate

- Lower pull-out force and downward forces
- Fold-out platform for easy installation of wall ties
- Self-erecting, build as you go
- Small footprint fits into confined spaces (Approximate area required for hoist placement: 106" x 103")
- Unique open/close system for unloading ramp
- Easy access to electrical panels for maintenance
- Fully galvanized loading and lifting unit for protection from the elements

Applicable Standards: ANSI/ASSP A10.5 and ANSI/SAIA A92.10

INDUSTRIES SERVED

- **Scaffolding**
- **Masonry**
- **Restoration & Renovation**
- **Glazing**
